Schedule of Classes

- **Developing Organizational Skills**

Organization is the key to succeed. Help your student organize his/her school materials and learn time management.

January 19th (Tuesday) or January 21st (Thursday)

Instructor: E. Hauff

- **Parent Connect/Summit Website Navigation**

This class is for all Summit parents. Learn how to navigate the Parent Connect program and the Summit Website. Keep abreast of your student's academic and citizenship progress and Summit current events

January 25th (Monday) or 28th (Thursday) or March 18th (Thursday)

Instructor: R. Hockensmith

- **Complete Free Application for Federal Student Aid (FAFSA) and CAL Grant applications**

This class is for Summit parents of college bound students who will be applying for college financial aid.

February 2nd (Tuesday) or 4th (Thursday)

Instructor: S. Jennings

- **Student Study Skills Development for Parents**

This class is for Summit parents interested in helping their students develop or improve study skills to increase their academic achievement.

February 11th or 18th (Thursday)

Instructor: J. Chavez

- **Tips to Succeed in Science**

Collect useful tips on how to help your student to succeed in science with an emphasis in chemistry

February 22nd or March 8th (Monday)

Instructor: J. Laygo

- **Using Technology to Enhance Student Learning**

Explore educational websites and software to help students generate quality student work

February 24th (Wednesday) or 25th (Thursday)

Instructor: M. Windham

- **Using Resources to Succeed in Math**

Discover available resources to support your student in achieving math success

February 4th or March 11th (Thursday)

Instructor J. Braucht

- **How to Succeed in Algebra and Geometry**

Support your student in improving his/her Math scores through understanding basic math concepts. This is an excellent class for parents of students who need help with CAHSEE math.

March 5th or 12th (Friday)

Instructor W. Lu

- **Motivate your Student to Learn**

Learn how to coach your student through positive interventions that will improve your relationship and increase their desire to succeed.

April 7th (Wednesday) or 8th (Thursday)

Instructor: J. Rogers

- **Conflict Resolution Skills Development**

This class is for Summit parents in need of improved communication with their students.

April 12th (Tuesday) or 15th (Thursday)

Instructor: S. Guzman

- **Using Effective Strategies for Foreign Language**

Help your student through foreign language using effective strategies for language acquisition (you might learn Spanish or French along with your student!)

April 26th (Monday) or 28 (Wednesday)

Instructor E. Dolven
